

Rooted in COE

AN UPDATE FROM THE COE FOUNDATION

Howdy, friends! The COE Foundation is busy at work preparing for a wonderful school year ahead, and we want to ensure our families are in the know! For those who are new to our work, our focus extends beyond the classroom walls to help ensure both outdoor enrichment for students as well as the beautification of grounds for our special school community!

OUTDOOR CLASSROOM & MINI FARM

Big announcement! Our Outdoor Classroom is getting a Mini Farm! Our vision is to create a space where children can grow food, care for chickens, investigate plants, and experience STEM learning in their own COE backyard!

Before the coop can be installed, we need some volunteers to prepare the chicken coop site! Join us on **September 25** immediately after school to lend a hand!

And we wouldn't be official without some farm merch, so check out our tees, totes, and stickers and show your love for our school! **Pre-sale closes October 4!**

FARM MERCH SOLD HERE!

COFFEE ON THE CORNER

Come join us for one of our favorite COEmmunity gatherings on the first and last day of the school week.

If you or your company would like to sponsor a coffee for \$100, please email counciloaktps@gmail.com for more info.

7:20AM
